REGISTERED NURSES' ASSOCIATION OF ONTARIO

District 5

Toronto, June 12th, 1953.

To the Superintendent of Nurses
and Directors of Nursing,

District 5,
Registered Nurses' Association of Ontario.

Dear Superintendent or Director of Nurses:

District 5, Registered Nurses' Association of Ontario, has received a request from the Ontario Division of the Canadian Cancer Society to advise all nurses in York County that the Toronto Branch of the Society now has a surplus of cancer dressings of all sizes available for patients in this area.

The Cancer Society is anxious to be of greater service to the public by distributing more cancer dressings to many patients who are not aware of this service, and would appreciate your assistance to inform your nurses who may be in contact with cancer patients needing dressings.

These dressings may be secured by telephoning the Toronto Branch, Canadian Cancer Society, EM. 6-9277.

Yours very truly,
(Sgd.) Margery Chisholm,

Secretary-Treasurer,
District 5, R.N.A.O.

PRESENTATION OF THE DR. GORDON FOULDS MEMORIAL PRIZE

By Dr. Malcolm H. V. Cameron to Miss Norah Bradley, Ottawa, Ont.

Mr. Chairman, Rev. Fathers, Rev. Sisters and ladies and gentlemen:

Graduation ceremonies in our School of Nursing have become a habit with me. I do not think that I have missed one in forty-five years. I have strong hopes that I may attend several more of them and add my voice to the chorus of congratulations offered to the young ladies who, today, change from students-in-training to Alumnae of our most excellent school.

It is my honor and privilege to represent Mrs. Gordon Foulds who has so generously continued year by year a prize inaugurated by her husband when he was chief of the Urological Service of the Hospital. This prize now ranks second in seniority. The R. J. Dwyer award, so piously continued by Dr. Loudon in honor of his old chief, has been for many years the first distinction.

To commemorate great men is meet, right and our bounden duty. There is a long list of names that should be reverently treasured in the archives of St. Michael's Hospital. * Three years ago I began to write vignettes of those I remembered in a projected history of the hospital. The work has been roughly draughted up to the year 1927. Since that time events have been occurring in an ever accelerated pace. Contemporary history is baffling to historians. When the pace moderates and I grow older and wiser the book may be completed.

In any history of this institution the name of Gordon Sutcliffe Foulds will be prominent. The urological department is his creation. The plans he made and the foundation he laid have been so complete that building our present superstructure has been just a natural evolution. He was so much more than a good organizer and skilful surgeon. He was a true humanitarian. He was a worthy tribesman of Abou Ben Adhem.

I congratulate you, Miss Bradley, on having won this prize. Its donor valued the quality of kindness and made it a prime consideration in selecting the nurse who was to win the award. I am sure that it is still a principal condition. May you be blessed with a double portion of the spirit that animated the great and good man this prize commemorates.

YOUR GIFTS

You may not see, you may not know
Just where your gifts of money go,
But one in need somewhere, some place,
Will kneel and pray with upturned face
And say: Dear God, I humbly pray
That you will bless those friends today,
Who helped to lift our load of care
And gave, that we with them might share
Some of the comforts and pleasures too,
That we might live as others do.
Dear God, please bless each one of those,
Who they may be we do not know,
But Thou, dear Lord, canst see, doth know,
So bless them Lord and help them see
That in helping us they have helped Thee.

CLASS REUNION OF 1928

A very enjoyable day, June 3rd, 1953, was spent by the Class of 1928. We started the day attending Holy Mass at 8:30 in the chapel and through the courtesy of Sr. Superior, then breakfasted in the cafeteria. Following this we made a tour of the hospital and the two nurses' residences. We visited Rev. Father W. P. Smith, who was chaplain of St. Michael's Hospital during our training. Next on the programme was a trip to St. Joseph's Hospital. Here we called on Sr. Amata, our former Superintendent of Nurses, and Sr. Louise, and saw many other former St. Michael's sisters. Through the kindness of Sr. Louise we enjoyed lunch in St. Joseph's cafeteria.

Later in the afternoon Audrey Crowley Daly entertained the class, followed by dinner at the Walker House, where there was much chatter and reminiscing.

Those present were:

Annabelle Sampson

Dolly McCarthy O'Hagan

Agnes Ellard Sorensen

MY ROSARY BEADS

A little pair of Rosary Beads,
As plain as plain can be,
But only God in Heaven knows,
How dear they are to me.

I have them always with me,
At every step I take,
At evening when I slumber,
At morning when I wake.

In bright and cloudy weather,
In sunshine or in rain,
In happiness or in sorrow,
In pleasure or in pain.

It helps me in my struggle,
It reproves me when in sin,
Its look of gentle patience,
Rebukes the strife within.

In days of pain and anguish,
The greatest help I knew,
Was to hold my Rosary Beads,
Until I calmer grew.

So, when the time approaches,
When I will have to die,
I hope my little Rosary Beads,
Will close beside me lie.

That the holy name of Jesus
May be the last I say,
And kissing my sweet Rosary Beads,
My soul may pass away.
